Harrison, ME 04040

Dear David Hart,

On behalf of all of us here at Habitat for Humanity of Greater Portland (HfHGP), I would like to thank you for your donation towards our Demerest Street subdivision. We couldn't fulfill our mission without the support of hundreds of individual and corporate partners like you who share our vision of a world where everyone has a simple, decent home.

The Demerest subdivision has been a unique and exciting project for our affiliate. Through the generous support of donations like yours, this subdivision will soon be the home of four working families from the Greater Portland community. For the first time, we decided to build all four homes to the highest green standards available. This was an opportunity to prove that *green* can be *affordable*. We truly appreciate your desire to take on this milestone project with us.

Habitat for Humanity invites people from all walks of life to work together to create simple, decent, and affordable housing. Since 1976, Habitat for Humanity International has built over 300,000 houses around the world. The Demerest subdivision represents houses 48-51 for Greater Portland.

Thank you for the encouragement you give us. I hope that you feel great satisfaction in assisting the work of Habitat.

Sincerely yours,
