Re: NEEP October 1 and 2, 2003 workshops, *Clearing the Air: Mold Remediation and Mildew Control*

Dear Bill,

Thank you for your participation in our recent workshops, *Clearing the Air: Mold Remediation and Mildew Control*.

As always when you are center stage, we received excellent feedback from attendees. Your dedication to the profession is evident in the knowledge and energy you bring to your presentations.

Again, many thanks. It is always a pleasure to be in your company and we appreciate all of your efforts as well as your consummate professionalism.

Sincerely yours,

Alan Mulak  
Commercial Programs Manager
