Re: Northern New England Eastern Region Association of Physical Plant Administrators, Spring Conference

Dear Bill,

I want to again thank you on the part of the Northern New England Eastern Region Association of Physical Plant Administrators Chapter and the Vermont School Board Insurance Trust for speaking at the chapters Spring Meeting at Saint Michael's College. Your session "*ABC's of Mold*", received high evaluations from those who attended the session.

Bill I regret I had to sit in on another session that took place at the same time as yours. Everyone I talked to confirmed what I believe about you and that is you are the most knowledgeable person on the subject I have ever met.

I hope you had a great vacation.

Thanks,

A handwritten signature in black ink that reads 'Tim Pedrotty'. The signature is written in a cursive style with a large, prominent 'T' and 'P'.

Tim Pedrotty
